We envision a future where everyone is welcome and has the opportunity to thrive and prosper.

“
*We will continue to move forward together, amplifying our impact, and **striving for a brighter future** for those immigrants who now call Rhode Island home.*
”

FROM OUR EXECUTIVE DIRECTOR

Because of our team’s dedication, along with generous support from our partners and benefactors, our journey this past year has been one of remarkable growth and adaptation. Rooted firmly in our mission, we have responded effectively to the evolving needs of Rhode Island immigrants.

We’ve recently completed a largescale strategic planning project, in which we actively engaged with the voices of our stakeholders to craft a roadmap that steers our future. This collaborative endeavor has ensured that future decisions are aligned with our organization’s goals, and also resonate deeply with the diverse perspectives and needs of our community.

Our resolve to enhance our efforts and ensure a thriving, more welcoming Rhode Island remains steadfast. We will continue to move forward together, amplifying our impact, and striving for a brighter future for those immigrants who now call Rhode Island home.

Thank you for the meaningful role that you play at Dorcas International.

With Gratitude,

Kathleen Cloutier
Executive Director

WELCOMING THOSE IN CRISIS

When global crises unfold, **we are ready**; when the U.S. resettlement programs change, **we are ready**.

This past year, we pivoted to a different type of resettlement program to help welcome Ukrainians fleeing war which meant mobilizing community groups, faith-based groups, and residents in a wide-reaching community outreach effort to find the nearly 300 Ukrainians seeking refuge in the Ocean State.

Our multi-faceted team continues to help with a myriad of issues including applying for employment authorizations and health care coverage, connecting individuals and families with medical providers and specialists, and helping families understand the expectations and available resources when enrolling in the local school systems. Our other services include ESL and work readiness instruction, navigation of sponsorship breakdowns, assistance in searching for and transitioning to independent housing or locating emergency housing, translation and interpretation, and more.

In response to the rising number of humanitarian parolees coming for help, **we also created the Newcomer Welcome Center**—a comprehensive hub of information and support that reflects our commitment to newcomers' success. **In its first year alone, we served over 500 clients.**

A NOORI FAMILY UPDATE:

Two Years After the Afghan Evacuation and Resettlement

Read the full Boston Globe story [HERE](#).

America's withdrawal from Afghanistan in 2021 sparked the largest airlift in US history. **Now, two years later, we revisit the ongoing efforts to support resettling one Afghan refugee family in Rhode Island.**

The Nooris arrived in the small village of Wickford in 2001. Met by Dorcas International staff and volunteers at the airport, they were greeted with an outpouring of support.

They stepped into their new home, where a warm and traditional meal had been prepared to make them feel comfortable and safe.

As Dorcas International extended our support in many different areas such as English language education, assistance navigating schools and services, and legal and essential services, the family also discovered a welcoming community of neighbors who embraced them wholeheartedly – offering more than they could have imagined.

The Nooris are still adjusting to American life, which involves tackling everyday challenges such as taxes, a complex healthcare system, and mastering the English language. This journey is marked by both challenges and opportunities for growth.

The family just obtained asylum and will be eligible for green cards after one year in the United States as asylees. This process typically takes 2-3 years, followed by a 5-year wait before they can apply for U.S. citizenship.

While it's a long road, Dorcas International's legal team will assist every step of the way!

“This family is very humble and kind. One of my proudest moments was when Naseer obtained his license—he was so happy and proud! It's been a great joy be part of this family's resettlement process and to see all the great changes and accomplishments in their life.”

— Myrna, Case Manager

Their progress has been and continues to be remarkable:

- The children are thriving in school, enjoying swim lessons, and are fluent in English.
- Mom recently obtained her driver's permit and is rapidly improving her English.
- Dad now has his driver's license, and is working full-time as an auto mechanic.
- The family has settled into sustainable housing.

WE OUR COMMUNITY PARTNERS

We are grateful to all our community partners whose support and commitment to a welcoming community allows us to provide **what is needed, when and where it is needed most.**
